When do U.S. courts have jurisdiction over foreign parties? How do you serve a foreign defendant abroad? When does foreign law apply to a party's claim and how do you prove what that foreign law is? How can you obtain discovery from a foreign non-party? Join **Chris Helmer**, of Miller Nash, and **Professor George Foster**, of Lewis & Clark Law School, for a presentation designed to give lawyers not experienced in these and other cross-border dispute resolution issues enough information to competently handle those issues or at least know enough to recognize they need help!

For more information: Call Keil Mueller, Stoll Berne at 503.227.1600. For registration questions, call the MBA at 503.222.3275.
