That Wasn't the Plan! Understanding How Estate Plans Turn into Litigation

C. Marie Eckert of Miller Nash Graham & Dunn LLP and **Bonnie Richardson** of Richardson Wright LLP will discuss how common estate planning provisions can result in unintended consequences and how to spot and navigate difficult conflict issues that arise in representing settlors and beneficiaries. This program will provide guidance to estate planners in crafting estate plans to reflect the client's wishes while being mindful of the potential for disputes among family members. These experienced litigators will use real life examples and actual cases to help prepare you and your clients. The program will guide not only estate planners but those involved in estate and trust administration - fiduciaries, trustees, personal representatives, and litigators.
