# Immigration Law for the Rest of Us

Hear from immigration lawyers about the ways immigration law impacts your practice. Consider how immigration status may affect access to the courts and access to effective representation, as well as how immigration issues create malpractice traps in criminal, family, employment and corporate law practice. **Brent Renison**, Parrilli Renison LLC, and **Sarah McClain**, Marandas & McClellan LLC, have both spent their entire careers in immigration law. They will cover collateral issues in corporate M&A, hiring practices, plea agreements, crime victims, and domestic support obligations, and arm you for spotting issues in a wide range of settings.
