Insurance Coverage for Small Businesses

Business attorneys, as well as litigators, need to understand the basics of insurance coverage. Insurance is a critical component of company risk management - which is part of the role of a company's attorney. This presentation will cover basic principles and concepts in insurance coverage programs for small businesses, so that you can "speak the language" whether you are talking with the owner or the company's broker. We also will discuss common insurance coverage problems and what you can do to prevent them. Presenter **Seth H. Row** of Miller Nash Graham & Dunn LLP has represented policyholders in coverage disputes of all types for more than 10 years, and provides counseling on insurance procurement to large and small businesses in many industries. Presenter **Brad Wilson** of Insurance Partners has helped businesses and individuals place coverage and manage their insurance programs for more than 20 years. Brad's experience includes underwriting, sales, agency management, and expert witness work for clients of all sizes and industries.
